

CHALK SHOT-IN-A-BOX

BY KASEY JONES, INK.

CHALK SHOT-IN-A-BOX is a great solution for brands looking for a **custom** and **reusable** marketing experience to take on the road. This multipurpose backdrop can be used in the following ways:

Interactive Selfie Station & Instagrammable Moment

Eye Catching Press Wall or Step & Repeat

Vibrant Photo Booth Backdrop

Disruptive Event Signage

Creative Educational Piece at Trade Shows & Sampling Booths

Informational Presentation or Speaker Backdrop

WHAT'S INSIDE

- Client-approved custom backdrop printed from original chalk art
- Backdrop includes side panels with client logo and social sharing handles
- Light blocker backdrop
- Easy to assemble stand
- Hard shell travel case on wheels that can be shipped as is or seamlessly checked onto a plane. Travel case can be locked for extra security

When assembled, the backdrop is 8 x 8 ft, although different sizes are available.

INCLUDED

- One design consultation with our CHALK SHOT lead artist
- A digital mock up of backdrop art with two rounds of edits

ADD-ONS

- Custom and themed props
- Custom Snapchat filters
- Interactive photo booth experience with professional photography

Any of these add-ons can be bundled into your package at an additional cost.

Multiple backdrops can be created and swapped out for display on your CHALK SHOT-IN-A-BOX stand.
